

Resources for International Jobs/International Development

Online Resources

Vault Career Insider (access from [CMConnect](#))

- **Vault Guide for International Careers** – available for download.
- **Vault Guide to International Development** – available for download.
- **Vault Guide to Top Asia Pacific Employers** – available for download.

Going Global (access from [CMConnect](#) on the bottom right side of the website)

- Search jobs and internships by country, profession or employer.
- Offers country career guides and international job and internship listings.

CareerBuilder.com

- To perform an international job search, click on Find Jobs and then click on the pull-down menu “Other Job Categories”.

International Job Opportunities: The Riley Guide (www.rileyguide.com/internat.html)

- A guide to hundreds of online websites for international jobs. Search websites by country, or follow links to search U.S. job banks. Information on living and working overseas and international business resources is also available.

EscapeArtist.com

- Country profiles, job searches by country and sector, tips on living abroad, plus links to many other helpful international sites.

Jobware.com

- Search multinational employment opportunities by professional focus, language, and experience level.

Dave’s ESL Café (<http://www.eslcafe.com/jobs/>)

- Search the International Job Board to find listings of teaching positions abroad.

About International Resources (<http://jobsearch.about.com/cs/internationaljobs1/>)

- Provides links for job and internship opportunities, plus country information and volunteer opportunities.

Job-Hunt.org

- Search international job resources by continent or specific country.

Professor Haley’s Website

(<http://govt.claremontmckenna.edu/ehaley/InternationalResources/TableofContents.html>)

- Professor Haley's website has a wealth of information regarding internships, job opportunities, and international relations resources. Links for international searches and grants and fellowships are in progress.
