PDT (Process Driven Trading) Partners Office Hours

Friday, Oct 21

10 am-5 pm

Career Services Office, HMC

Founded in 1993 at Morgan Stanley, we look forward to launching as an independent quantitative hedge fund at the end of 2012.

We apply mathematical and scientific techniques to develop algorithmic, automated trading strategies that consistently beat the markets. We do this through rigorous research, cutting-edge technology, and being creative and tenacious in a collaborative and cooperative work culture. With 70 members, we offer the energy of a start-up company combined with the deep experience and knowledge of a highly-successful global investment firm.
