## Incomplete List of Summer Internships at CMC & Other Institutions

---

### Take advantage of Summer Internships & Programs

- *Almost all summer internships have application dates in February for the following summer*

### Summer Internship Programs at CMC

- CMC offers several summer internships relevant to psych and neuroscience majors
  - For internships and CMC sponsored internships, see p 6 of the *CMC Career Center and Services* guide. The community service internship program is one of the few, if only, internship programs available to freshman. The Kravis Internship is also of particular relevance to Psychology majors.
    - See the Career Services Web site for application information.
      - <http://www.claremontmckenna.edu/csc/SponsoredInternships/SponsoredSummerInternshipPrograms.php>
    - Beth Ricca ([bricca@cmc.edu](mailto:bricca@cmc.edu)) is the internship advisor for Psychology.
  - Neuroscience fellowships
    - The 5 C's offer summer internships to conduct research in labs, especially those off the 5 C campus.
    - Dr. Tom Borowski is the head of the Neuroscience program ([tborowski@pitzer.edu](mailto:tborowski@pitzer.edu)) and is the contact person for the Neuroscience fellowships.

### Other colleges and universities offer summer programs tailored to different interests in Psychology and Neuroscience

- General Psychology and Minority Psychology Programs
