Let me read this brief summary: Proposition 77 takes the right to draw election district boundary lines away from the state legislature and transfers this right to an independent bipartisan panel of retired judges. The panel of retired judges would draw new boundaries for California's Assembly, State Senate, and Congressional Districts.

Q11. Proposition 77 supporters say they would put a bipartisan panel of retired judges in charge of redistricting because such panels have successfully performed this function in the past. Some Prop 77 opponents say they would prefer a panel made up of a cross section of Californians. Would you prefer to have redistricting done by retired judges or a representative panel of Californians?

Q24. Another reform idea would be to limit the duration of State legislative sessions to no more than five months in Sacramento and require legislators to spend more time in their districts. If this were on a future ballot, would you vote FOR or AGAINST this proposal?
