

Intro to Study Abroad

**Are you interested in studying abroad?
Curious to see what your options are?
Come to an Intro to Study Abroad meeting—
the required first step to study abroad!**

At this hour-long session, you'll learn the basics of how to study abroad (including cost, timeline, types of programs, and destinations) and have a chance to meet some program alumni and staff from CMC's Office of Off-Campus Study.

If you already attended an Intro meeting, you're welcome to schedule your first advising appointment. Otherwise, you **must** come to one of these meetings before making an appointment with OCS.

Sessions will be held:
