

Name:
Major(s):
Program/Country:
Term Abroad:

Your Classes

1. Describe your courses abroad. How was the educational style different from CMC?
2. Were you able to fulfill any major elective or GE credits abroad? If so, which ones?

Your Program

3. What were the positive aspects of your program?
4. What were the drawbacks to your program, if any?

Your Country

5. What aspects of the host country did you find particularly enjoyable or interesting?
6. What aspects of the culture made you uncomfortable?

Your Goals

7. What were you hoping to accomplish (culturally, personally, academically, professionally) while you were abroad? Were these goals fulfilled? Please elaborate
8. In what ways, if any, has your time abroad impacted your personal, academic, or professional goals?

Your Reflections

9. What are your recommendations for enhancing the Off-Campus Study Office and the services provided?

10. Please describe your final thoughts, advice, and reflections for prospective study abroad students:
