

Washington Program: Returning Students Photo Contest

\$75 for First Place

\$50 for Second Place

\$25 for Third Place

Claremont McKenna College - Off-Campus Study Office

Contest Rules:

- ◆ You can enter up to two photographs. Please email bnanning@cmc.edu with high-quality digital images. We are looking for photos that take us past the tourist view and capture moments from your daily life in Washington. Ideally, we want pictures with students in them, especially you, engaged in internship activities or highlighting your home, academic, or political life. Please **DO NOT** submit photos of cherry blossoms or buildings (we already have more than we can use). Some ideas to get you started: Where did you intern? Where did you study? What was unique about your DC experience? What was your apartment like? How did you get around town?
- ◆ We will use the photos for promoting off-campus study in numerous ways, brochure, newsletters, scrapbooks, website, etc. Please submit the attached release form with your images.
- ◆ Check out our photo gallery on the CMC Website and OCS Facebook page! We will add the winning photos to these sites.
- ◆ Photographs must be submitted to the Off-Campus Study Office by **Friday, January 20, 2012** to be eligible. Your photos will be judged by staff from various departments on campus.
